# CONGRATULATIONS!

Firstly, congratulations to both you and your future spouse!

Having married on New Year's Eve 9 years ago, Mike can highly recommend it (and as the photo below of Mike on his wedding day shows, he's hardly aged a day since!)

And you'll be glad to know that Mike hasn't forgotten what an exciting and fun, but slightly scary logistical nightmare it can be organizing a wedding – so much to do and so little time to do it all in!

The often-forgotten group of guests at a wedding is the children. All the adults love talking to each other and catching up with friends, but for the children it can be a slightly intimidating event with so many unfamiliar faces.

It gets even worse when they are expected to sit and listen to endless speeches – boring!

Fortunately, you can now have The Kids Magician come to the rescue!

Have the 45-60 minute **Kids Magician Wedding Show** at your reception and the children will be thrilled with a fun-packed programme of magic, puppetry and balloons.

They'll have a great time, which leaves the adults free to do their own thing (ie. listen to the all-important speeches without being distracted by the children!)

Fun and flexible enough for all ages and any number, there's something in this show to appeal to everyone.

The children will also each receive a magic trick and balloon animal guaranteed to bring smiles to their faces and keep them occupied that little bit longer!

Be an instant hit with friends and family by booking the perfect stress-free solution to keep the children entertained during the all-important wedding speeches or photographs.

## **Rave Reviews For Mike's Entertainment**

"I've had about 40 e-mails in the last couple of days all telling me what a great time they had and how much they enjoyed your show."

**(Andy Ball, HBOS, Bristol)**

"Just wanted to drop you a quick line to say 'Thank You' very much for entertaining the kids yesterday at our fun day. A lot of them were attempting to do magic afterwards! Bless them. I'll keep in touch for future events we run! Many thanks again"

**(Becks Full, David Lloyd Bristol)**

"I really must thank you for fantastic entertainment. I'm a teacher by trade, and I can honestly say I have never seen anyone get 22 3-7 year olds eating out of the palm of their hand like you. Rosie loved it all and my guests thought you were brilliant. Rosie had the best party ever and I really feel like it was money well spent."

**(Wendy Howse, Iron Acton, Bristol)**

"Everyone loved the show and had a fantastic time at the party, and Reuben watched your DVD as soon as he got home. You might have a bit of competition in a few years time - he is now saying that he wants to be a magician when he grows up! I imagine that's the best form of praise you can have, he must have been impressed! Thanks again!"

**(Lucy Eves, Bristol)**

"Thanks for a brilliant party. Jada and Jack loved it. I was so relaxed. I trusted you to keep them all entertained and you did a wonderful job! Thanks again for a STRESS-FREE party!"

**(Annie More, Shepton Mallet)**
